School Open House:
10:30 – 11:30 p.m.

Come Celebrate With Us...

Elbow Park School invites you to join us on **Friday, October 2**, as we celebrate our **100th first day of school** with a special Time Capsule Ceremony!

For ten decades, our school has stood as the heart of the Elbow Park community. To mark a century of learning, connection, and history, our students will present the design of a new time capsule landmark being built on the school grounds and unveil the special contents being sealed inside this year.

We are thrilled to welcome visiting dignitaries, CBE partners, local community members, parents and alumni who will share stories and memories from across the generations. Following the formal ceremony, we invite all guests to tour our classrooms and see our students in action.

Help us honour our rich history and inspire the next century of learning!
