School Digital Citizenship Plan: 2024 – 2025

Please share a relevant version of your School Digital Citizenship Plan with parents and students on your school’s website.

Relevant contextual information about your school and School Development Plan:

- K-6 school with access to technology both at school and at home
- Literacy goal focuses on functional writing skills that rely on critical thinking and researched information.

Relevant evidence and data that informs your Digital Citizenship Plan:

- Teachers note students are quick to copy and paste from websites
- Teachers note minimal student awareness regarding fact checking
- Student perception data highlights student concern regarding treating others with respect
